◆ Inform us about :

- a) Full names, dates of birth, passport numbers, nationalities of all crew members for all crews, if You wish to have crew change in St-Petersburg.

- b) Yacht's name, length, width and draught of the yacht, sail number and the color of the vessel.
- c) Arrival date and all sea ports, which You would like to visit in Russian Federation. On the strength of this information we will assist You for getting an invitation from one of our partner travel companies.
- ◆ Contact with us during Your way to St-Petersburg and confirm Your arrival date. It will help You to avoid probable mistakes during checking in and out.
  - ◆ Customs and passport control post is situated on the Fort "KONSTANTIN" (island Kotlin). Geographical co-ordinates of it are **59°59'38"N, 29°42'32"E**. Passport control works 24 hours and custom control can be carried out from 10-00 till 19-00 o'clock. Plan your time effective. For this formalities you need about 6 copies of crew list. When you will be in two miles from this point please contact the customs and immigration control by VHF on the channel 6, call "GRANIT" (they are available to speak English)
  - ◆ During checking in the representatives could tell You about the best way getting to the yacht harbour. The pilot from the yacht club can assist You if You wish. Sometimes it's quite complicated to communicate with yacht clubs by VHF-radio, that's why we recommend You to have mobile phone on board.
  - ◆ If Your sailing or motor boat has achieved the yacht harbour, then city tours, tours to the former summer residences of Russian tsars, visiting museums and theatres could be offered to You.

**Also, we wish You interesting sailing trips to Northern Venice!**

**With best regards,**

Representative in St-Petersburg
